Re: Royal ton Riviera Cancun Resort Map/ Heida Way 4 years ago hello my husband and I are considering going to Royalton or Heida Way through Thomson in the summer. I thought Hideaway might be worth a try so we don't have kids. The room was large, the room was large, and comfortably we were thinking about upgrading to the Diamond Club, but I don't know if it was worth it. What are the bars and restaurants like? Thanks level contributors 1,859 posts 178 reviews 93 useful votes 10.Re: Resort map of Royal Ton Riviera Cancun/Heida Way 4 years ago, we go in the summer after going to Royalton in Punta Cana last year. If it's similar, the Diamond Club wouldn't be worth it in my opinion.
